

CorePath Supports

Steady support for the life you want to live.

Registered NDIS provider · Greater Sydney

CorePath Supports provides practical, person-centred disability support across Greater Sydney. We work alongside participants, families, carers and support coordinators to build consistent supports around each person's goals, preferences and daily life.

Assist Life Stage Transition

Tailored planning and support for significant changes, including moving home, starting work or building a new routine.

Assist Travel and Transport

Reliable assistance to travel safely to appointments, work, learning and community activities.

Community Nursing

Professional clinical care in your home by qualified nurses, based on your assessed support needs.

Daily Personal Activities

Respectful one-to-one assistance with personal routines, comfort, hygiene and self-care.

Daily Living and Life Skills

Practical support to build confidence with cooking, cleaning, budgeting and everyday decisions.

Personal Activities in Shared Living

Individualised daily support within a shared home while respecting privacy, choice and household routines.

Our supports

Group and Centre-Based Activities

Social, recreational and skill-building activities designed around interests and goals.

Household Tasks

Help with essential chores to maintain a safe, comfortable and welcoming home.

Innovative Community Participation

Support to explore new opportunities, build confidence and connect with the wider community.

Participation in Community

Practical support to take part in local events, appointments, clubs and activities.

Supported Independent Living

Shared or individual accommodation support that builds independence and everyday living skills.

Accessible Transport Support

Travel coordination and accessible assistance for appointments, work and community participation.
